

Weston Historic Landmarks Commission

Agenda

Memorial Hall

7:00 p.m. Feb 16, 2016

- 1) Call to Order
- 2) Read and approve minutes of previous meeting.
- 3) Grants report by Sheldon, with particular attention to those which we are involved.
- 4) Report on buildings seeking to be placed on the National Register.
 - a) Carolyn Rencken home. Building was built and owned by the owner of the Weston Brick Yard. (Maybe we know of a writer who would like to do a history of the brick yard.)
 - b) Methodist Church
- 5) Discuss Historic buildings with falling bricks. How can we help owners to alleviate this dangerous problem? Sheldon is working with Bernice.
- 6) Who would like to help work on Weston Downtown Walking Tour? We had the start of a tour last year for Pioneer Days, but what we had can be changed in any way you think. Can we make it a guided tour this year? Maybe at least part of the day. Is this worth a work session, maybe for the entire Commission at a local eatery. We need to let Jack know our plans so they can be included in the Pioneer Days publicity. If no major changes are deemed necessary, a brief brochure would be nice.
- 7) Ask for volunteer(s) to take our internal procedures and organize as our bylaws. Vicki has volunteered to work with Bob on this, but any other minds are welcome.
- 8) Do we have any reply on the Shark Tank grant?
- 9) Any other matters to discuss.
- 10) Good of the Order.
